Dear Ms. Dorsey,

I am writing to express support of the Tonya Dorsey and New Vision a NJ Nonprofit Corporation.

Your commitment to invest in the future of young aspiring artists is evident in the number of scholarships you have awarded in the past and your goal to increase that number annually. Your 2010 projection of twenty (20) scholarships in the performing arts will benefit the community by enhancing the educational experience of our youth in Winslow Township, Camden County, New Jersey.

Your vision aims to invest in the cultural awareness and educational experiences of children, ultimately and positively affecting the whole community.

The Office of the Mayor of Winslow Township is pleased to continue a relationship with Tonya Dorsey and New Vision a Nonprofit Corporation by making your scholarship application available to our citizens.

Sincerely,

Sue Ann Metzner
